

## GERMANS CLAIM ADVANCES MADE ON NORTHWEST

BERLIN, Germany, June 3.—The Germans have succeeded in capturing heights southeast of Zillebeke and the British position beyond it, taking the trenches by storm at the point of the bayonet.

The following cablegram from German official sources relating to the land campaign was received today:

"GERMAN HEADQUARTERS, June 3.—After a violent increase of artillery fire and previous blastings strong British forces in the evening attacked west and southwest of Givenchy. Those who had not turned back in the curtain fire were repulsed in hand-to-hand fighting.

West of Meuse: French attacked again without success. East of Meuse: Our troops stormed Callette forest on both sides and connecting trenches.

"French counter attacks, which were carried out with strong forces southeast of Vaux pond, failed. Up to now 76 officers and more than 200 men are prisoners. Three cannons were captured and at least 25 machine guns taken.

"Southwest of Lille a British aeroplane was captured by us and remains unharmed with inmates. A French single-engine fighting aeroplane precipitated over Marre Ridge further within our lines. One plane over Vaux and another west of Moerchigen, west of Cambrai, were shot down. British biplane is the fourth aeroplane disabled by Lieut. Mulzer.

"East front: Successful German reconnoitering patrol south of Hmorgon brought in several dozen prisoners. Southeast of Drayvay Lake Russian aeroplane destroyed by anti-aircraft fire.

"Balkan sector unchanged."

## 4TH CAVALRY TO BEGIN BASEBALL SERIES SUNDAY

(Special Star-Bulletin Correspondence)  
SCHOFIELD BARRACKS, June 2.—A baseball series between the three squadrons of the 4th Cavalry will be launched tomorrow afternoon when the 2nd and 3rd squadrons will cross bats on the Castner diamond.

Each team will play three games against each of the other two, making nine games in all.

Games have been scheduled for Wednesdays and Sundays. Umpires will be selected from the other regiments.

The officers in charge of the teams are as follows: First Squadron, Lieut. R. L. Gaugier; 2nd Squadron, Lieut. E. A. Lohman; 3rd Squadron, Lieut. C. M. Haverkamp.

The last squadron series in the 4th Cavalry was played in 1914 and won by the 1st Squadron, and anyone visiting the squadron headquarters will see a beautiful silk banner attesting this fact.

It is predicted that the 2nd Squadron will have the strongest team, as both E and G troops, that finished first and second respectively in the recent inter-trump series, are in that squadron. The 1st Squadron has been working hard, however, in hopes of retaining the title, and the 3rd Squadron nine has been playing practice games almost daily with the teams of the artillery and the 25th Infantry.

Eddie Stoll, the crack pitcher of the 1st Field Artillery for the past two seasons, is the only enlisted man of that regiment leaving for the mainland on the transport next Monday. Stoll is expecting a transfer to the 3rd Field Artillery.

The baseball nine of the 159th Company of Coast Artillery has promised to visit Schofield for two days next week to play return games with K Company of the 1st Infantry and Battery C, 1st Field Artillery. The players have been promised a royal entertainment as well as two royal good drubbings.

The 1st Field Artillery will lose one of its best baseball fans when Capt. C. J. Ferris leaves on the transport next Monday to spend a leave on the mainland. He coached the regimental baseball team last season.

## FORBES TO HELP HILO ON CIVIC CENTER SCHEME

In answer to a call sent to him some time ago by the board of supervisors at Hilo, Charles R. Forbes, superintendent of public works, has decided to go to the Crescent City to lay out plans for improvement of the place, included in which will be specifications for a \$125,000 high school.

Mr. Forbes said today that the request was made to the governor, that the governor had referred it to him for his own decision in the matter, and that he has decided to go.

The plan to have Forbes come to Hilo was introduced in the meeting of the Hilo supervisors by Eugene H. Lyman, the board voting "that the Hon. L. E. Pinkham, governor, of the Territory of Hawaii, is hereby requested to allow Charles R. Forbes, superintendent of public works, permission to come to the county of Hawaii and bring an assistant with him to locate for one month or more, and assist the Board of Supervisors of the County of Hawaii in having public improvements laid out consistent with the location of the site, the plan being for a civic center for the city.

## SCHOFIELD WILL SEND HORSES TO PARK ON MONDAY

**Mohawk Boy Will Be Favorite to Win at Schofield; Steeple Chase Race of Interest**

(Special Star-Bulletin Correspondence)  
SCHOFIELD BARRACKS, June 2.—Nearly all of the horses from Schofield that will run in the races at Kapiolani Park next week will be brought over the road to Honolulu on Monday. There will be quite a large detachment of men with some thirty horses belonging to the government and several officers' private mounts. The detachment will go into camp at Kapiolani Park.

There are twelve entries in the mile and a half hurdle race for enlisted men and eight in the Roman race. The entries are equally divided between the 4th Cavalry and 1st Field Artillery.

There seems to be no part in which the 25th Infantry does not come in strong. There will be two jockeys from the 25th Infantry mounted on Schofield horses in the races next week. They are Private Lightfoot, who will ride Lieut. K. C. B. Palmer's thoroughbred, Robert, and Private George Henry, who will be mounted on Mohawk Boy.

**Mohawk Boy a Favorite.**

Sergeant James Alexander, who is training Mohawk Boy in the absence of Lieut. Edgar Whiting, his owner, reports that this speed animal is in the pink of condition and showing greater speed than he ever has before. Mohawk Boy will be the army favorite in the long distance races. He is by Mohawk II out of Sahara.

The present favorite for the steeple chase is Dido, a seven-eighths thoroughbred gelding, to be ridden by Stable Sergeant Price, Battery B, 1st Field Artillery. Dido won the steeple chase at Schofield last August.

**Erno Entered.**

Major William S. Guignard, 1st Field Artillery, has entered his fast pony, Erno, in one of the flat races, and will carry his colors light blue and silver. Private Kosiusko will be up. It is rumored that Major Guignard will ride his thoroughbred mare Masina in the officers' steeple chase. Masina has the reputation of being the best jumper at Schofield, as well as one of the fastest horses.

Lieut. Palmer's Robert, formerly owned by the late Lieut. Clarence Lyman, has been entered in two of the short distance races. Lieut. Palmer's colors are scarlet and black. Robert is by Robert d'Or out of Stacey II.

Capt. P. D. Glassford has entered his chestnut mare Tuolumne in two of the flat races as well as in the officers' steeple chase, and will carry his colors, scarlet and white. Tuolumne is by Yellow Tail out of Rita.

Polo.  
There will be a polo game on Monday afternoon between the post team and a team to be composed of Lieutenants Cheney, Eaton, Rogers and Erlenkotter. Those playing on the post team will be Lieutenants Herr, Hoyle, Beard and Haverkamp.

## SIGHTSEEING BUSES FOR HONOLULU

"Seeing Honolulu" will be a familiar sight in the very near future as a fleet of four auto busses will shortly be put into commission and run between points of interest around the city, to the Pall, Pearl Harbor and other nearby points as well as "around the island" trips.

The Island Sightseeing Company, with offices over Castle & Cooke, Fort and Merchant streets, a newly formed corporation under the management of Mr. William Hole, formerly proprietor of the Reliable Auto Shop, has applied to the supervisors for a downtown street stand.

The company will also make a specialty of accommodating picnic parties or excursions to any part of the island. Telephone inquiries to 2989 or 1356.—Adv.
